

CORPORATE WORKSHOPS

Agatha Lee aka 'Agy'

Agy conducts public and corporate talks and workshops. A list of popular workshops can be found on page 2. These can be customised to meet the clients needs.

The client will need to provide the venue with chairs, tables, projector and screen, and microphone. Free Motion Embroidery workshops can be arranged provided the client has sewing machines.

Talks include Agy's art journey and the importance of repair.

WHAT I OFFER

WORKSHOPS

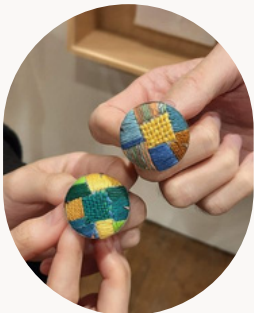

MEDITATING WITH STITCH

Join Agy as she takes you through a short meditative stitching session, exercises, and a brief discussion on the outcome. Agy realized the importance of slowing down and connecting with yourself. The aim of this session is not to make a product but to bring slow into our lives. The session can come with or without a take home kit for each participant.
